ALLEGANY COUNTY COVID VACCINATION AND POSITIVITY STATISTICS

CUMBERLAND, MD – The Allegheny County Health Department reports that, to date, 9,293 Allegheny County residents (13.2% of the county population) have received at least one dose of a COVID-19 vaccine with 5,061 (7.2%) having received both doses. Comparatively, the Maryland Department of Health reports that 12.2% of all Marylanders have received their first vaccine dose, and 5.8% have received both doses.

ACHD reports 11 new COVID cases, bringing the county's cumulative case count to 6,393. One additional death was recorded, bringing the cumulative number of COVID fatalities to 197 for Allegheny County. The current case rate in Allegheny County is 5.48 cases per 100,000 population, less than half of the state average of 12.43 cases per 100,000 population. Allegheny's positivity rate is now at 2.29% while the statewide average is 3.91%.
